

# Riverhills PTA Teacher Mini Grant Application

2019-2020 School Year

## OVERVIEW & PURPOSE

Riverhills PTA greatly values the efforts teachers put into enriching the educational experiences of our students. By offering \$100 mini grants, teachers can go beyond their district allotment of expenses to bring supplemental materials, presentations, and enhancements into the classroom. This may also be used for professional development opportunities as well. Teachers must be a PTA member to apply. Applications are due **October 1, 2019**. If there is money remaining after that, a second grant application window may be opened. The PTA board will review applications and give approval.
